Introduction

Congratulations on your purchase and welcome to Philips!

To fully benefit from the support that Philips offers, register your product at www.philips.com/welcome.

Important

Read this important information leaflet carefully before you use the appliance and save it for future reference.

Danger

Do not immerse the appliance or the mains cord in water or any other liquid.

Warning

Place the device on a flat, horizontal, dry, non-slippery surface.

Be careful not to place the appliance at the edge of the table or worktop to prevent it from tipping over.

Make sure that the power cord and any extension cord are not placed in the places of passage to avoid tripping.

Never move the appliance while it is in operation.

Never use the appliance outdoors.

Do not allow plastic utensils or other heat-sensitive materials to come into contact with the plates during cooking.

Do not touch the plate release latches or the anti-spatter cooking baffle plate during operation to prevent scalding.

To avoid spoiling your product, do not use flammable recipes in connection with it at any time.

Do not place food on the grill that is wrapped with plastic, polythene or foil paper as it may start fire or damage the plates.

Do not use metal spatula to fry or stir to avoid damage the heating plates.

Always attach the two plates to the appliance when in use.

Check if the voltage indicated on the bottom of the appliance corresponds to the local mains voltage before you connect the appliance.

Do not use the appliance if the plug, the mains cord or other parts are damaged.

Keep the mains cord away from hot surfaces.

Never connect this appliance to an external timer switch in order to avoid a hazardous situation.

Do not let the appliance operate unattended.

This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children unless they are older than 8 and supervised.

Keep the appliance and its cord out of reach of children less than 8 years.

The appliance is not intended to be operated by means of an external timer or a separate remote control system.

If the supply cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.

The accessible surfaces may become hot during use.

Caution

This appliance is intended for normal household use only. It is not intended for use in environments such as staff kitchens of shops, offices, farms or other work environments. Nor is it intended to be used by clients in hotel, motels, bed and breakfasts and other residential environments.

Only connect the appliance to an earthed wall socket.

Do not let the mains cord hang over the edge of the table or worktop on which the appliance stands.

The temperature of accessible surfaces may be high when the appliance operates.

Let the appliance cool down completely before you clean the appliance or put it away.

Never touch the plates with sharp or abrasive items, as this damages the non-stick surface.

Always switch off and unplug the appliance after use.

In order to get the best result from your grill, always clean the appliance after every use. When you remove the grills, clean the exposed heating elements with a cloth. Be careful not to drop any water on these pads.

Electromagnetic fields (EMF)

This appliance complies with the applicable standards and regulations regarding exposure to electromagnetic fields.

Ordering accessories

To buy accessories or spare parts, visit www.philips.com/support or go to your Philips dealer. You can also contact the Philips Consumer Care Center in your country (see the international warranty leaflet for contact details).

Recycling

This symbol means that electrical products shall not be disposed of with normal household waste.

Follow your country's rules for the separate collection of electrical products.

Warranty and support

Versuni offers a two-year warranty after purchase on this product. This warranty is not valid if a defect is due to incorrect use or poor maintenance. Our warranty does not affect your rights under law as a consumer. For more information or for invoking the warranty, please visit our website www.philips.com/support.
